

Affordable Art Show

04.06.09 18.30 - 22.00

f1rst thursday at the art works galleries

This month we give you a big juicy present to whet your artistic appetite in the form of our **HOME GROWN Affordable Art Show** this is your opportunity to purchase original art from the regions finest artists for under £150. So whether you're starting your art collection, you regularly purchase art, or you're looking for a unique original gift, this show is for you.

The **CURATED COLLECTION** continues with simplistic lithographs from Alan Stones and expressive canvasses from Lee Herring. **The Solo Eye** presents a Final Year Foundation Degree show featuring interactive installation and mixed media works by Amy McCaffrey, Alana Hogg, Samantha Ramsay and Joanne Elliott. **Cohesion** continue their residency with a stunning collection of glass & take a look at a slice of Great Britain in the **Focused Eye Gallery**.

Peruse market stands and pick up extraordinary gifts from local designer-makers in our **MAKE IT SELL IT MARKET** and as always **SHOP** The Bohemian Boutique has a treat for all tastes. So grab a drink at BAR and take in the atmosphere at The Art Works Galleries. See you there!
